Heyford Smiles

DENTAL CLINIC

“

Thank you SO much for my new smile! Thank you for always being so friendly and considerate, and for making every experience within my journey so positive.

A huge thank you for your skill and care, and for giving me a new found confidence, and lovely smile.

Thank you for all your hard work fixing my teeth! You have helped to give me my confidence back when I smile.

Dr. Krishna Patel

Specialist Orthodontist

How we can help

Have you always wanted straight teeth? Or perhaps you have a child who is on a very long NHS orthodontic waiting list. We are here to help you, whatever your situation may be.

- ✓ All referrals to be emailed to reception@heyfordsmiles.co.uk
- ✓ Referrals from GDP's must include a case overview, recent radiographs, intra-oral and extra-oral photos, and full medical, dental, and social history

Meet Krishna

"Krishna is a Specialist in Orthodontics and has completed her postgraduate training at John Radcliffe Hospital and UCL Eastman Dental Institute, gaining a Masters (MClinDent) degree in Orthodontics and a Membership in Orthodontics (MOrth) by the Royal College of Surgeons England.

Krishna completed her undergraduate training at Barts and London School of Medicine and Dentistry in 2016 prior to embarking on roles in general dentistry, oral and maxillofacial surgery and orthodontics. During this time, she also completed a Masters degree in Primary Dental Care with the University of Kent and MFDS at Royal College of Surgeons Glasgow. Krishna has also made contributions to research and clinical governance, with the honour of presenting her work at national and international conferences.

As a Specialist Orthodontist, Krishna offers a wide range of treatments for patients of all ages. She particularly enjoys working with children and her skillset includes interceptive treatment using removable appliances to a variety of fixed braces and clear aligners where appropriate.
